

A New Resource For Adoptive Families

Adoptive families who would like to stay informed about post adoptive services and share information can be included on an e-mail list that will:

- Provide up-to-date information about Adoption Support Program changes
- Answer general questions about the Adoption Support Program
- Provide information about resources in your community
- Share innovative ideas
- Provide links to other websites regarding adoption
- Exchange information on new publications and media items you found to be helpful
- Offer information about support groups in your community and trainings on adoption matters
- Provide contact information for adoption support staff in your area

If you would rather receive a monthly newsletter, complete the following information and return it in the enclosed envelope:
